Give the gift of sight by donating your old eyeglasses.

More than one billion people around the world need eyeglasses, but can’t afford them. A gift of donated glasses changes lives. Seeing clearly for the first time allows those in need the opportunity to succeed at school or work, and care for their families. Eyes of Hope®, the VSP Global® eyewear donation program, is an easy way you can help.

Helping others see well is easy. Simply donate your used glasses, including:
• prescription glasses,
• readers,
• sunglasses.
That’s it—we’ll take care of the rest!
