GIVE SIGHT GLOBALLY

by donating your old eyeglasses.

More than 2 billion people globally need glasses but lack access due to income, distance, or disaster. Seeing clearly provides the opportunity for adults and children to succeed at school or work, and care for their families.

Eye Make A Difference®, an Eyes of Hope® program, is a no-cost way for companies, individuals, and organizations to donate glasses to help those in need.

Helping others see is easy.

- Simply place the eyewear donation box where it's easy to see.
- Encourage others to help by dropping off their used glasses.
- Drop the donated glasses into an envelope or box, apply the prepaid UPS label (available online), and send the glasses to VSP®.
- Keep the donation box to collect eyeglasses year round.

That's it—we'll take care of the rest. We'll ensure the glasses are recycled and distributed to children and adults throughout the world.

See what's possible™. Set out your donation box today!
