

Our thoughts are with those affected by the recent wildfires.

No-cost Eye Care Available

If you've lost or broken your glasses during a natural disaster, you may be eligible to receive a comprehensive eye exam and, if prescribed, glasses at no cost from a local VSP® network doctor who will ensure you're seeing clearly.

Eligibility

- Lost eyewear during a disaster
- No vision insurance or no available benefits through existing vision insurance
- Haven't received care through another VSP program in the last 12 months
